MACMILLAN AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The must-have companion to Bill O Reilly s historical docudrama *Legends and Lies: The Patriots*, an exciting and eye-opening look at the Revolutionary War through the lives of its leaders. The American Revolution was neither inevitable nor a unanimous cause. It pitted neighbors against each other, as loyalists and colonial rebels faced off for their lives and futures. These were the times that tried men s souls: no one was on stable ground and few could be trusted. Through the fascinating tales of the first Americans, *Legends and Lies: The Patriots* reveals the contentious arguments that turned friends into foes and the country into a warzone. From the riots over a child s murder that led to the Boston Massacre to the suspicious return of Ben Franklin, the First American; from the Continental Army s first victory under George Washington s leadership to the little known southern Guerilla campaign of Swamp Fox Francis Marion, and the celebration of America s first Christmas, *The Patriots* recreates the amazing combination of resourcefulness, perseverance, strategy, and luck that led to this country s creation. Told in the same fast-paced, immersive narrative as the first *Legends and Lies*, *The Patriots* is an irresistible, adventure-packed journey back into one of the most storied moments of our nation s rich history. Introduction read by Bill O Reilly.
