Her canvas is an empty room, her mediums paint wheels and fabric samples. This interior designer s work is as bold and colorful as her life is dull and monochromatic. If only she could live her life with the same reckless abandon that she devotes to her work. Sometimes dreams aren t enough. When circumstances become dire, Claire must decide whether to close up shop or accept a job opportunity that s both too good and too bizarre to be true. At The Club, there are three rules: 1.Keep your mouth shut. 2.Keep your mouth shut. 3.Keep your mouth shut. Some people like to watch and some people like to be watched. Claire thinks she s neither, but when the man who holds the future of her business in his hands shows a side of himself she s never seen before, she ll have to admit that her interest in The Club is **PIQUED**.
