By Cilinnie Ngo-Pondi

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Social media is a way of using the internet to interact and share business as well as personal interests with other people all over the world. 24 million people in Britain log on to Facebook every day and LinkedIn has 15 million users as does Twitter. In addition to these main players there are various other platforms, blogs, forums and comment spaces on information websites. Suffice it to say that social media is huge and you are probably a user of one or more of these platforms. Together with emails and text messaging, the one thing they all have in common is that using them carelessly may cost you your job and worse. Misuse or inappropriate use of social media, email and text messaging can create criminal and civil liability for you and your employer. Most criminal offences that can be committed by using words or images can be committed using social media, and the legal repercussions are the same as off-line activity. There is no specific regulation of social media, so existing employment, criminal, data protection and...
