Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

AUTHORHOUSE, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Children and younger adolescents in today s world are bombarded with information from the electronic media and, in particular, the internet. Much of what they see and read has little redeeming social value. Computer games are particularly violent and teach the lesson that, in order to have your way, it is okay to resort to strength and violence. Robert Ruiz, Jr., in writing *Destiny s Journey*, sought to provide children and youth with an imaginative adventure story rooted in the values of family and friendship that stand the test of time: love, joy, peace, kindness, gentleness, faith and patience. Inculcated in the story are the concepts of a Creator and a plan of life that is greater than any individual or group of individuals on earth. There is, indeed, a divine plan for all living things. The author, in developing the Chiles family, was particularly interested in engaging Mexican and Hispanic American children and youth, many of whom have been raised in the produce fields of Mexico and the United States. Thus, Chile s family characters serve as the vehicle to share values that make any society strong. The interdependence of the characters in this story clearly demonstrates that no man is an island, entire of it self All of us need each other, regardless of race, age or background in order to not only survive but thrive in today s world. And above all, we must recognize that there is a higher power at work in each of our lives.
