R U AFRAID OF GHOSTS?: (DYSLEXIA-SMART) (PAPERBACK)

Daylo Books, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dyslexia-Smart: tailored for dyslexic readers but can be read by anyone. This is a compilation of three stories by different writers, each with a different twist. We meet a talking football, a drowned smuggler and an apparition that appears out of the loo. Plenty of variety! There are small line drawings set in the text. By wrapping the word ghosts from front to back, the cover design encourages a child who is dyslexic to anticipate the word without seeing the whole of it written down. This will be a good achievement, if they can do it. The drawing is a big clue!.
