AuthorHouse. Paperback. Condition: New. 92 pages. Dimensions: 11.0in. x 8.5in. x 0.2in. Paintless Dent Removal is the Art of removing minor dents, dings and hail damage from automobiles, SUVs, trucks and sometimes motorcycles. Occasionally a PDR technician will remove a very large dent that will in essence pop out ninety percent of the dent, however a real PDR technician will not be satisfied until the dent is out as close to 100 as possible. This process of removing the smallest dents, crease dents and some non pop out large dents is Paintless Dent Removal. This book is more than a how to-its part of a plan for you, a friend or a family member to start a Paintless Dent Removal Business. Paintless Dent Removal is indeed an Art. There are however many myths and legends which over simplify the process making it look like a hoax. Some of these Myths include taking a Hail damaged vehicle to Florida and leaving it set in the sun which will magically remove the Hail damage. There are numerous myths surrounding dry ice or liquid nitrogen magically removing dents from vehicles. Some of these processes are possible to remove some very unusual dents that could easily be removed by your bathroom plunger or a five dollar suction cup from your local auto parts store. This is however not Paintless Dent Removal from a professional standpoint. This book is all about getting the best skills without spending a whole lot of money. You will learn: the basic process including how to see your tool behind the metal how to get the best technical tools at the lowest cost how to find and when to use glue pullers and systems how to get new business and learn the trade on the job how to develop a business...
