## ASSESSING CHILDHOOD PSYCHOPATHOLOGY AND DEVELOPMENTAL DISABILITIES (HARDBACK)

To get **Assessing Childhood Psychopathology and Developmental Disabilities (Hardback)** eBook, make sure you access the hyperlink below and download the ebook or gain access to additional information which might be relevant to ASSESSING CHILDHOOD PSYCHOPATHOLOGY AND DEVELOPMENTAL DISABILITIES (HARDBACK) book.

Springer-Verlag New York Inc., United States, 2008. Hardback. Condition: New. 2009 ed.. Language: English . Brand New Book. Not long ago, conducting child assessment was as simple as stating that the child gets along with others or the child lags behind his peers . Today s pediatric psychologists and allied professionals, by contrast, know the critical importance of using accurate measures with high predictive quality to identify pathologies early, form precise case conceptualizations, and provide relevant treatment options. *Assessing Childhood Psychopathology and Developmental Disabilities* provides a wide range of evidence-based methods in an immediately useful presentation from infancy through adolescence. Noted experts offer the most up-to-date findings in the most pressing areas, including: (1) Emerging trends, new technologies, and implementation issues. (2) Interviewing techniques and report writing guidelines. (3) Intelligence testing, neuropsychological assessment, and scaling methods for measuring psychopathology. (4) Assessment of major pathologies, including ADHD, conduct disorder, bipolar disorder, and depression. (5) Developmental disabilities, such as academic problems, the autism spectrum and comorbid pathology, and self-injury. (6) Behavioral medicine, including eating and feeding disorders as well as pain management. This comprehensive volume is an essential resource for the researcher s library and the clinician s desk as well as a dependable text for graduate and postgraduate courses in clinical child, developmental, and school psychology. (A companion volume, *Treating Childhood Psychopathology and Developmental Disabilities*, is also available to ensure greater continuity on the road from assessment to intervention to outcome.).
