Prospecting for Oil and Gas (Classic Reprint) (Paperback)

By L S Panyity

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Prospecting for Oil and Gas To that class who are interested only in the investing or speculating features of the industry, geology is almost unknown. Advertisements or prospectuses of oil and gas ventures are often coupled with a geological report, and whether such report is merely an extract or is given in full, the investing public is unable to analyze its contents and pass judgment upon its merits. There are valuable books written on this subject, the majority of which are intended for the professional geologist, and although invaluable to him, they are too technical or cover only a certain branch of oil and gas prospecting and producing. The professional geologist will notice that in this book an attempt is made to put before practical oil men and the general public the various tools and methods of the scientific oil and gas prospector of the present day, avoiding lengthy discussions and confining its scope mostly to descriptions and explanations, by means of which it is hoped that those interested will be brought into a more intimate relationship with the geologist,...
