THE WONDERS (PAPERBACK)

Washington Square Press, 2015. Paperback. Condition: New. Language: English . Brand New Book. From the author of the funny, irreverent, and highly entertaining (Liane Moriarty, author of *The Husband's Secret*) *Fine Color of Rust* comes a brilliant new novel about a misfit trio who become instant international reality stars, probing the nature of celebrity, disability, and the value of human life. Perhaps every human being was a freak. Hadn't he read somewhere that every person has at least a handful of damaged genes? That all humans embody a myriad of nature's mistakes? Meet Leon (stage name: Clockwork Man), a nervous, introverted thirty-year-old man with a brass heart; Kathryn (stage name: Lady Lamb), a brash, sexy woman covered almost entirely with black, tightly furled wool; and Christos (stage name: Seraphiel), a vain performance artist who plays a winged god with the help of ceramic implants inserted between his shoulder blades. These are *The Wonders*, three extraordinary people whose medical treatments have tested the limits of the human body. When they are brought together by a canny entrepreneur, their glamorous, genre-defying, twenty-first-century circus act becomes a global sensation. But what makes them objects of fascination also places them in danger. With warmth, humor, and astonishing insight, Paddy O'Reilly has written a wonderful novel that will appeal to fans of Sara Gruen's *Ape House*, Karen Joy Fowler's *We Are All Completely Beside Ourselves*, and Teddy Wayne's *The Love Song of Jonny Valentine*--or anyone who's ever questioned the nature of fame, our kinship with the animal kingdom, and the delicate balancing act of life and death.
