NEAR PLANETS (HARDBACK)

Mason Crest Publishers, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Get to know Earth's planetary neighbors with a tour of Mercury and Venus, the two planets closest to the Sun, as well as Mars, the planet closest to Earth. Experience the intense heat of Mercury. Dive deep into the misty atmosphere on Venus. And wonder along with scientists if and when Mars has supported life. Amazing images from NASA satellites show the latest discoveries about our fellow planets. The entire series called THE SOLAR SYSTEM is your first-class travel guide to the biggest neighborhood you live in, from the Sun to the planets and beyond! Blastoff on a visit to our solar neighborhood and beyond. This series visits all the planets in our Solar System, visits comets that are just passing through, and in Space Exploration, travels into the universe as human beings seek to find out what's out there. The books are packed with information, stories, photos, artwork, and more, including the latest developments in the always-changing story of exploration and discovery. Each title in THE SOLAR SYSTEM includes color photos throughout, and back matter including an index and other information. Key Icons appear throughout the books in this series in an effort to encourage library readers to build knowledge, gain awareness, explore possibilities, and expand their viewpoints through our content-rich nonfiction books. Key Icons in this series are: Educational Videos are offered in chapters through the use of a QR code, that, when scanned, takes the student to an online video showing a moment in history, a speech, or an instructional video. This gives the readers additional content to supplement the text. Nothing But the Facts is an at-a-glance appendix section of additional factual material. The format differs from title to...
