Easy Guide to Mesmerism and Hypnotism (Paperback)

By Marco Paret, James Coates

Web Services Ltd, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This unique Book is the new enlarged and complete version of the earlier Easy Guide to Mesmerism and Hypnotism, with added text and notes. Dr. Paret personally reviewed this new Edition as he applies with incredible success this ancient methodology into which he was personally initiated. Mesmerism is completely different from modern hypnosis. Mesmerism is the Western school corresponding to the use of Prana or Ki (Chi) in Orient. Parts of the teachings of this school were never completely disclosed in print. Dr. Paret, who is a genuine practitioner, wrote a serie of notes which allow a better understanding of practical applications of these techniques and their actualness. Many of the powerful results of Mesmerism are scarcely reachable if only pursued through verbal hypnosis. Dr. Paret therefore accompanies you through your reading. You will not only find here the original text of Dr. Coates, but also a better understanding of the original school of magnetism. If you really want to immerse in this powerful world, this is your occasion!

Reviews

This type of publication is almost everything and taught me to hunting ahead plus more. It is writter in easy terms rather than difficult to understand. Your way of life period will likely be transform once you comprehensive looking at this ebook. -- Gladyce Reinger

This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of your respective time (that's what catalogues are for concerning should you ask me). -- Tevin McClure
