Fatherly Influence is a person-to-person conversation about one of lifes priceless treasures-our young. Like longtime friends over a cup of coffee, Sutherlands mellow tone sets the stage for a warm and inviting dialogue. He raided several treasure troves to deliver this gem-his life of fatherlessness, his mentoring experiences, and the stories of 100 people who shared influential father experiences. Moms, dads, sons, and daughters tell it like it is with insights into fatherly mentoring. See past the daily humdrum of responsibilities, into the dignity and honor of being your childs hero. Understand your powerful influence in their lives. Build strong bonds with Junior and Princess. Discover the secret to effective role-modeling. Raise happier, more balanced kids. Supplant Bill Cosby as Americas favorite dad in the eyes of those who matter-your kids. And build a fine legacy. Fatherly Influence is a sons shrill cry that will awaken the sleeping father. Terry Sutherlands many years of sensing a paternal void in his life provides him a proper perspective, which qualifies him to offer suggestions to fathers to be an influence in their own home. Through biblical and practical examples he cajoles dads into making their responsibility, personal. Amy Kumar FounderChair, More Than Jewels, Inc. Ministries, Dallas, TX. Dr. Sutherland has created a wise and sensitive treatise on a young mans need for a father to guide him and a mature mans mission to provide it. His readers will find themselves in his thoughtful stories and gain inspiration to be the mentors they yearn to be. Dana N. Christensen, Ph. D.
