Brand New Book ***** Print on Demand *****.Electric Bikes are Becoming The New Way of Transportation in America. So what exactly is an electric bike? Most people have never heard of them, but you can probably guess what it is and you have definitely seen one before, you just may not have known it. That s because unless you re specifically on the lookout for one, you won t be able to tell the difference between a normal bike and an electric bike. An electric bike is just a regular bike with an electric motor attached to it and a battery that supplies the motor with electricity. This electric, pollution-free power is what makes them so special. All you have to do is twist the throttle on the handle like it s a motorcycle and the bike takes off on its own. The big takeaway here is the amazing possibilities that electric bikes present to us. Millions of people drive around in cars just to go a few miles to work, school, the store or a friend s house when you could have done yourself and your planet a...
