

## Distrust (Paperback)

By -

Russell Sage Foundation, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. If trust is sometimes the rational response in interpersonal relations, then it can also be rational to distrust. Indeed, distrust is the preferred response when it protects against harm--as when parents do not entrust the safety of their child to a disreputable caretaker. Liberal political theory was largely founded on distrust of government, and the assumption that government cannot and should not be trusted led the framers of the U.S. constitution to establish a set of institutions explicitly designed to limit government power. With contributions from political science, anthropology, economics, psychology, and philosophy, *Distrust* examines the complex workings of trust and distrust in personal relationships, groups, and international settings. Edna Ullman-Margalit succinctly defines distrust as the negation of trust, and examines the neutral state between the two responses in interpersonal relations. As Margalit points out, people typically defer judgment--while remaining mildly wary of another's intentions--until specific grounds for trust or distrust become evident. In relations between nations, misplaced trust can lead to grievous harm, so nations may be inclined to act as though they distrust other nations more than they actually do. Editor Russell...
