Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Coming up in church, I thought I knew the ends and outs of ministry and how to walk the walk of a Christian (being Christ-like) but I was WRONG!!! I was only an imitation of a routine more than I was of the Word of God! I have been through a series of events in my life that God strategically placed there for me to Wake up and smell the Coffee!!! So with that being said, the Holy Spirit lead me to write this book to help a lot of Saints, Christians, Believers, Church goers, Kingdom Citizens or however you consider your self identity! This book is for you if you are really ready to walk in the will, path and assignment that God has in place for your life and to also identify if you have found yourself coming to church every Sunday, every bible study and even extra events as a routine but still struggling with issues (behind the scenes) having felt like you have perfected what we know as Being Saved! Let me make it plain to help leaders and lay members in the four corners of the church.It doesn t profit you or bring God any Glory to operate with hidden issues that have not been faced. When we operate like that, we are operating in routine and a familiar spirit.NOT out the Spirit of God! Luke 9:25 (NKJV) says it like this: For what profit is it to a man if he gains the whole world, and is himself destroyed or lost? If you were anything like me before God took the scales off my eyes (as he did Apostle Paul), you go to church with a smile...
