Oxford Handbook of Clinical Dentistry

By David Mitchell

Oxford University Press Aug 2014, 2014. Taschenbuch. Condition: Neu. Neuware - After more than twenty years of recognition as the indispensable guide for all dental students and practitioners, the Oxford Handbook of Clinical Dentistry has been fully revised and updated for its new sixth edition, now better than ever! The authors have distilled the essentials of clinical practice into a readily accessible style. Concise and practically focused, the handbook balances a pragmatic approach alongside evidence-based clinical knowledge, guidelines and protocols. This handbook is in full colour, with even more images and diagrams to aid understanding. It has been fully updated with sources and further reading, including the most up-to-date e-learning and web resources. The handbook includes revised chapters on fast-moving areas of dental practice such as therapeutics and anaesthesia, as well as updates on the aetiology and management of cancer, reflecting recent discoveries. New material also includes the impact of bisphosphonates, and new approaches to the management of Class III malocclusions in the growing child. Sections on the differences in healthcare and legal requirements of the UK devolved countries have been added, and all life support protocols have been updated. This concise and practical distillation of the essential knowledge and...
