WORKING MEMORY (PAPERBACK)

Macat International Limited, United Kingdom, 2017. Paperback Condition: New. Language: English . Brand New Book. The work of memory researchers Alan Baddeley and Graham Hitch is a prime example of the ways in which good critical thinkers approach questions and the problems they raise. In the 1960s, researchers into human memory began to understand memory as comprising not one, but two systems. The first was a short-term system handling information for mere seconds. The second was a long-term system capable...
