## CITY LIFE

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, City Life, Adrian Franklin, 'Franklin's ambition in the book is welcome. The scope and historical sweep of analysis, and the attempt to develop arguments at some length, is a productive contrast to the myopic focus of too many analyses. By situating his analysis of the contemporary city in an extensive historical lineage, Franklin is able to draw attention to shifting fashions in urban policy and social theory, and to draw out the consequences of blind spots amidst the often overweening ambition of 'heroic' city planning.the narrative it offers will be.valuable as an introduction to students' - Theory, Culture & Society Read the full review here 'Franklin writes with barely restrained optimism as he emphasizes the excitement, vitality and potential of cities. This advances the idea of city lives as assemblages of 'human and non-human networks of texts, software, culture, behaviour, architecture, trees and gardens'.Franklin uses a wide range of sources in making his case. Historical accounts, search engine statistics and social and cultural theory are all smoothly inte-grated into the narrative' - Sociology Read the full review here Cities are more important as cultural entities than their mere function as dormitories and industrial sites. Yet, the understanding of what makes a city 'alive' and appealing in cultural terms is still hotly contested - why are some cities so much more interesting, popular and successful than others? In this engaging discussion of 'city life' Adrian Franklin takes the reader on a tour of contemporary western cities exploring their historical development and arguing that it is the transformative, ritual and performative qualities of successful cities that makes a difference. Here is a new urban culture characterized by ecological frames of reference; tracking the making of contemporary city life from traditional times, through early...
