

Doha Development Round: Why did it fail?

Filesize: 1.21 MB

Reviews

This sort of book is every little thing and made me searching ahead and more. Sure, it is actually play, nonetheless an amazing and interesting literature. You wont feel monotony at whenever you want of the time (that's what catalogs are for relating to in the event you ask me).

Anchor Academic Publishing Sep 2014, 2014. Taschenbuch. Book Condition: Neu. 220x155x2 mm. Neuware - The Doha Development Agenda, may go down in history as the slowest development round of all times. Starting in 2001, negotiations have been going on for 13 years and collapsed on several occasions in the meantime. With regards to its goal to ensure developing countries, and especially the least-developed among them, a share in the growth of world trade, barely any progress was made. To the extent that one may question how legitimate it is to call the Doha Round a Development Round at all. Especially the notorious point of trade liberalization in agriculture has delayed the negotiations. While the WTO member states agreed on cutting tariffs and reducing agricultural subsidies, opinions differ sharply on exemptions for certain products from these broad rules. In another critical point, services, negotiations have hardly progressed. The WTO negotiators have missed every deadline agreed upon and various observers suggested to drop the entire venture. The aim of this paper is to find the reasons for the slow progress in order to see if the obstacles may be overcome and the Doha Round might be completed successfully. 28 pp. Englisch.
