Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Loch is seeking revenge. It would help if she wasn't in jail. The plan: to steal a priceless elven manuscript that once belonged to her family, but now is in the hands of the most powerful man in the Republic. To do so Loch--former soldier, former prisoner, current fugitive--must assemble a crack team of magical misfits that includes a cynical illusionist, a shapeshifting unicorn, a repentant death priestess, a talking magical warhammer, and a lad with seemingly no skills to help her break into the floating fortress of Heaven's Spire and the vault that holds her family's treasure--all while eluding the unrelenting pursuit of Justicar Pyvic, whose only mission is to see the law upheld. What could possibly go wrong? The Palace Job is a funny, action-packed, high-fantasy heist caper in the tradition of Scott Lynch's Gentleman Bastards series, from debut author Patrick Weekes.
