

Divine Interpretation (Paperback)

Filesize: 4.03 MB

Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.
(Prof. Murl Shanahan DDS)

Pickwick Publications, 2017. Paperback. Condition: New. Language: English . Brand New Book. By publishing these essays together for the first time, this collection widens access to a number of T. F. Torrance s illuminating studies on the history of biblical hermeneutics. Moreover, by detailing Torrance s extensive engagement with primary sources, which generally appear only in summary form across his writings, this collection reveals to readers how Torrance s own theological hermeneutics were forged through deep fellowship with the communion of the saints. An invaluable resource for any serious student of Torrance, bringing together a rich and rewarding collection of his essays. Highly recommended. --Alister McGrath, University of Oxford It is not too much to say that without a proper hermeneutics shaped by the unique nature of its object, theology would be lost. This impressive collection of essays from Thomas F. Torrance helpfully gathers together many of his most important writings on the subject displaying an amazing grasp of history and theology. Familiar themes emerge: the important connection between the incarnation and atonement, the nature of scientific knowledge of God as knowledge grounded in God and personally conveyed through his Word and Spirit by grace through faith, and more. But the really important impression that this book will convey to its readers is the way Torrance s own thinking is not only shaped by Scripture but by the early church Fathers, and especially by Calvin and Barth. There are contextual discussions of just how Calvin related experience and knowledge of God that will illuminate Torrance s own important discussions of the Trinity and Christology. This is a book that Torrance scholars and theologians interested in Reformation history, as it relates to Augustine and Mediaeval theology generally, will want to read. --Paul Molnar, St. John s University, Queens, New York T....
