FIRST ORDER (PAPERBACK)

iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Centuries ago, Emperor Constantine prepared a decree describing the duties and laws of a highly secretive organization known as the First Order. Now, in the twenty-first century, the seven members of the order are convinced the Antichrist has returned. Their mission is to find him-and stop him from destroying the Church. The sacred manuscript has been kept at Clayton Hall in England for centuries but has recently disappeared. Lord Ashton, a member of the First Order, uses the manuscript as bait to flush out the Illuminati. But he loses the manuscript-and his life-to the enemy. His two daughters, Lady Ashley and Amelia, are polar opposites. Amelia lives in Paris and is in a relationship with Dimitri, a Russian mafia billionaire whose connection to the Golden Crescent introduces him to the Antichrist. Lady Ashley follows in her father s footsteps and seeks to recover the stolen manuscript. The head of the order-in an attempt to use Amelia s connection to Dimitri to learn the identity of the Antichrist-develops a relationship with her. His plan ultimately fails when a traitor carries out a suicide mission for the enemy, wiping out most of the order. Who will be left to continue the fight against the Antichrist?.
