## PORTRAITS OF AMERICAN WOMEN (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Portraits of American Women This book might almost be called Portraits of New England Women, since, with the exception of Miss Willard, all of the subjects studied in it were born in New England. As I had devoted a good many years to distinguished representatives of other parts of the country, I felt at liberty to confine my researches for a brief period to souls nearer home. In the study of women it is especially difficult to obtain satisfactory material, and material affecting the lives of New England women was most readily accessible to me. At the same time, of the seven New England characters here portrayed, at least three, Harriet Beecher Stowe, Margaret Fuller Ossoli, and Louisa May Alcott, are so thoroughly identified with the country at large that one hardly thinks of their birthplace. Abigail Adams, Mary Lyon, and Emily Dickinson are known to a great number of their countrywomen and Sarah Alden Ripley ought to be so. I hope, moreover, to follow this series with another, embracing prominent women of other sections. I am under deep obligation to various persons for assistance in my work. Mrs. Ripley's grandchildren have kindly supplied me with numerous letters, without which it would have been impossible to make an adequate study of her. Miss Charlotte A. Hedge has lent me letters of Margaret Fuller to Dr. F. H. Hedge, and the Boston Public Library has placed its valuable Ossoli manuscripts at my disposal. Mount Holyoke College has enabled me to make use of a most interesting collection of reminiscences of Mary Lyon. Mr. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find...
