Overlook Press, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. James Naughtie established himself a capable and elegant writer (Wall Street Journal) with his gripping and highly praised debut, *The Madness of July*. He sets his new, brilliant spy thriller (*The Guardian*) in the feverish atmosphere of Paris, in April of 1968. The cafes are alive with talk of revolution, but for Scottish-American Will Flemyng--a spy working in the British Embassy--the crisis is personal. A few words from a stranger on the metro change his life. His family is threatened with ruin and he now faces the spy's oldest fear: exposure. Freddy Craven is the hero and mentor Flemyng would trust with his life, but when he is tempted into a dark, Cold War labyrinth, he chooses the dangerous path and plays his game alone. And when glamorous, globe-trotting journalist Grace Quincy, in pursuit of a big story, is found dead in the Pere Lachaise cemetery, the question is raised--what side was she on? Certainly she knew too much, and had become dangerous. But to whom? The bizarre murder reveals a web of secrets, and Fleming's loyalty to family and friends is tested as never before. As the streets of Paris become a smoke-filled battleground, Flemyng, like his friends and enemies, discovers that where secrets are at stake, lives are too. Once again James Naughtie spins an irresistible, intelligent, and page turning thriller.
