Hodder Stoughton General Division, United Kingdom, 2012. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. How does it work?During the course, you will join Michel Thomas Method teachers Cobie Adkins-De Jong and Els Van Geyte and two students in a live lesson, hearing both their successes and their mistakes to keep you motivated and involved throughout the course. Within the very first hour you will be able to construct simple phrases by listening and thinking out answers for yourself without the pressure of writing or memorizing. Why is the method so successful?The Michel Thomas Method was perfected over 50 years by celebrated psychologist and linguist Michel Thomas. This unique method works with your brain and draws on the principles of instructional psychology. Knowledge is structured and organised so that you assimilate the language easily and don't forget it. The method breaks down the language into building blocks that are introduced sequentially in such a way that you create your response and move on to ever-more-complex sentences. You'll stick with it because you'll love it. Where do I go next?Start Dutch with the Michel Thomas Method is an hour of essentials taken from Total Dutch with the Michel Thomas Method. After you finish your Start course, you can move to the Total Dutch course, which includes 9 hours of audio and a practice CD-ROM. Perfect Dutch follows on from the Total course with 5 hours of audio and a practice CD-ROM. Learn anywhere Don't be tied to chunky books or your computer, Michel Thomas Method audio courses let you learn whenever you want: at home, in your car, or on the move with your MP3 player.
