The Abermathys don't mean any harm by their flirtation with the underworld, but when they unknowingly call forth Satan himself, they create a gap in the universe, a gap through which a pair of enormous gates is visible. The gates to Hell. And there are some pretty terrifying beings just itching to get out. Can one small boy defeat evil? Can he harness the power of science, faith, and love to save the world as we know it? Bursting with imagination and impossible to put down, The Gates is about the pull between good and evil, physics and fantasy and the courage of a boy who is barely old enough to trick or treat on his own. This novel makes anything seem possible.
