Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Wedding Journal I Do Pretty Roses paperback contains alternating blank pages and lined pages. This allows brides and brides-to-be the option to express themselves with words or images. Blank pages also provide a scrapbook-like option to paste pictures or clippings from bridal magazines, wedding website printouts, and newspaper articles about getting married. What did we decide about the flowers again? Which invitations had the fancy font? How much did that caterer quote for the wedding cake and chocolate fountain? When is my next wedding dress fitting? With everything going on in the wedding planning process, it's easy to lose track of the important details. Keep yourself organized with this handy wedding journal. Simply write everything down in one place and have the information at your fingertips when you need it. Record advice and tips about getting married from family and friends. Make a note of an inspirational idea you saw on a wedding-themed TV show. Save a picture of a bridesmaid dress you really liked. Because brides-to-be are so busy attending to details, the feelings and excitement of the different stages as you approach the big day often get overlooked or quickly forgotten. Don't let that happen to you with your wedding journey. Document every precious moment. From the engagement and ring sizing to the honeymoon. From the wedding gift thank you notes right up to the first anniversary. Create a lasting keepsake that you can fondly look back on someday with your children. You'll enjoy the pretty cover every time you use your wedding journal. Ideas include creative writing, taking notes, making lists, and drawing. Say goodbye to the wedding planning stress. Say yes to...
