Reviews

The most effective pdf i ever go through. It is probably the most incredible book i have got study. You wont sense monotony at at any time of the time (that's what catalogues are for relating to if you check with me).
(Ahmad Heaney)

CELTIC FASHIONS

Dover Publications Inc., United States, 2002. Paperback. Book Condition: New. Tom Tierney (illustrator). 274 x 206 mm. Language: English . Brand New Book. Known as fierce warriors and skilled artisans and crafters, the Celts had established a culture long before the existence of the Roman Empire. Their territory extended from Romania and Hungary westward to France and Spain, eventually including England, Scotland, Wales, and Ireland. This well-researched coloring book documents more than 4,000 years of Celtic fashions. Forty-five ready-to-color illustrations, accompanied by detailed captions, depict a wide variety of apparel and accessories from cloaks worn by European Celts ca. 2000 B.C. to the elaborately embroidered costume of a twentieth-century Irish step dancer. Here also are careful renderings of Gallic-Celtic warriors in tunics and trousers (100 B.C.), Druids making a sacrificial offering (A.D. 100), and an Irish-Celtic family of the Roman era (A.D. 150), St. Patrick and a converted noblewoman (A.D. 432), and nineteenth-century Irish fisherfolk, among others. This fascinating collection is sure to be valued by students of costume design, fashion historians, and coloring book fans of all ages.
