THE NATIONAL MUSIC OF RUSSIA MUSORGSKY AND SCRIBIN (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The National Music of Russia Musorgsky and Scriabin The Russian School resembles no other, either in history or in character. It suddenly blossomed forth in the middle of the nineteenth century, after a germinative period whose history can only be traced back with difficulty, but whose fruit ripened almost as soon as it appeared. Before the school was even fifty years old, it constituted a quite independent, homogeneous and extensive art. The case is so rare as to be at first disconcerting. It is not only the rapidity of growth which astonishes us, but also and especially the general excellence and the distinctive qualities which are common to nearly all the works exemplifying this school. Nationalism has often been put forward as a drawback to Russian music, and the claim of Glinka, Balakireff and Rimsky-Korsakoff, to have enriched their art-language by the inclusion of folk-songs, has been treated by some critics merely in a humorous light. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
