WiDo Publishing. Paperback. Condition: New. 265 pages. Dimensions: 8.0in. x 5.0in. x 0.7in. Aiden Grant has a killer kiss. Literally. And its not every reaper who gets to work with the Sixteenth President. Sure, Honest Abe likes to throw out history lessons with reaping assignments, but when youre favored by the ancients, grim reaper life is pretty sweet for a newly dead seventeen-year-old. Then things get messy. Aiden is assigned to reap the soul of Bee, the only girl he has ever loved. When Aidens kiss of death fails, intertwining their souls, she is still very much alive and they are both in trouble. The ancients want Bee, who has special powers of her own, and theyll do anything to get her. Some rules are meant to be broken, even if that means Aiden must bargain with his own soul to save Bee. Who knew the afterlife could get so complicated . . . the perfect combination of romance, action and just enough suspense to keep you wondering . . . A well-written YA story by an amazing author. -- Reviewing in Chaos Deadly Kisses has the feel of a Cassandra Clare read, but set to an upbeat tempo, with a guitar solo somewhere in the mix. Cuevas weaves a tale as grounded as it is fantastic, with an ending that entices the reader to stand side by side with Aiden and his allies, both living and dead alike. --Jadie Jones, author, MoonlitKerri Cuevas adds a new and modern twist to the Grim Reaper lore. . . highly entertaining and fun. . . plenty of action and just enough supernatural darkness to thrill and chill. --Bell's Reviews This item ships from multiple locations.
