Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Witty, captivating and humorous: with a combination of useful tools for the classroom or workplace and tales of expat living overseas, Dr. Russell Seaton has created the READERS program (Rapid English Assimilation Developing English Reading and Speaking) which will help take your curriculum and presentation skills to the next level of success. This seven-week program is user-friendly, easy to use, and engages all students of various learning abilities and language skills. With language assimilation and musical elements accessible to everyone regardless of their background or experience, the READERS program is described in detail throughout the pages, relating the processes with everyday happenings. Told through humor as well as academically sound research, the READERS program creates opportunities for teachers, parents, students, and workshops that engage and enhance the delivery process of vocabulary specific to any chosen discipline or curriculum. Proven through case studies in Shanghai, China, and Phoenix, Arizona, Seaton tells tales of working with students from various backgrounds, learning abilities and age, inviting the reader in to each story as if they were there. Get ready to laugh, cry and engage with students and people from all over the world. An accompanying workbook is available to supplement Breaking Through Barriers, and is a tool that instructors, presenters and teachers can access to support implementation of the READERS program in their classrooms, businesses and organizations. Purchase Take Action Now: The READERS Workbook to take your students, teachers and workplace to the next level. Dr. Seaton uses personal stories to exemplify the journey of learning and enable the reader to connect the concepts and ideas to their own lives and experiences in a humorous and uplifting way. -Mark Wilson, Vice Principal, British International School...
