Xulon Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do some animals think and act like people? According to Rosseter, the answer is yes - animals have thoughts and feelings just as you do. As any child with a pet will tell you, there is a bond of compassion that exists between them. Reading these stories will help you understand why animals have a place in this world. Parents, read these stories with your children. I m sure Dr. Woo would approve. Wait! Who s Dr. Woo? Start with the first story and become acquainted with him. He ll introduce you to a new way of looking at the world. Born in 1926 and reared in Chicago, Patrick W. Rosseter became a journeyman printer-typesetter, following his father s footsteps, after coming home from the Army Air Corps. He s been married for 49 years - the 50th will be on Valentine s Day in 09. He has fathered three sons and a daughter and is the greatest Grampa to four illustrious grandsons, without whose encouragement these stories would never have come to be. Mr. Rosseter s only hobbies (pursuits) are reading and working out with the weights - when he can. He is a Michigan Senior Olympic Champion for the years 2003, 2004, 2005 and 2007. No mere feat for an ole guy!.
