Anness Publishing, United Kingdom, 2015. Board book. Condition: New. Language: English . Brand New Book. All young children adore pets, and here they will find lots of cute kittens getting up to all kinds of mischief - kittens exploring, kittens helping with the gardening and having fun with wool, one kitten in a basket, another up a tree, and there's even a cat in a hat! There are also kittens interacting with their non-feline friends - puppies, rabbits, a guinea pig and some young humans (a boy, a girl and a baby). The book's strong, dramatic pictures, and informative and entertaining point-and-say format encourage word skills and recognition. The photos are tagged with straightforward word labels to get children focusing, joining in, talking and learning. This soft-to-touch first word and picture book will delight babies and toddlers, who will enjoy looking at it, either with grown-ups or by themselves. Visually exciting, fun to use and built to last, this is an ideal introduction to the world of books. Little ones will love this padded boardbook full of enchanting photographs of cuddly kittens. It will capture any child's attention with images that he or she will immediately recognize and respond to. Here are hungry kittens, adventurous kittens, kittens washing and being washed, a kitten hugging its daddy, and fast asleep kittens - it is very tiring being a kitten, you know! This book will bring a smile to any little one's face. Meanwhile, adults can point to and repeat the simple captions, making learning a fun experience for all.
