Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Story of My Life For a long time the giant lay in a stupor. At length he uttered a groan, half opened his eyes, listening, not yet quite awake, not realizing what was going on, and annoyed by the shrieks of the birds that would not let him sleep longer and that were engaged in a deadly fight with the dogs and crows. It was a bloody, merciless, and unequal struggle. The giant still could not fully realize which were his friends and which his enemies. At length he became fully conscious, stretched his limbs, and stood erect in the immensity of his stature. Then, empty-handed and in rags as he was, he turned upon the pack of bloodhounds and their cruel keeper. The keeper uttered a shrill whistle, and in answer a new figure appeared upon the scene. A soldier, well armed and drilled to obey such a command, fired at the giant's broad and defenceless figure. At a further command he rushed forward with his bayonet. The giant, grievously hurt, staggered, but seized the weapon with his powerful hand and flung it far away. The next moment, however, looking at his assailant, his lips quivered, his gaze became dim. Overpowered for a moment by grief, he covered his face with his hand, and stood, the very picture of anguish. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
