Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In the previous book, entitled Child of Samael, you were introduced to Akiko Tanaka, who is among the most violent and ruthless hitokiri on earth. Her minions are the Killer Doll Posse, who glide through the skies on wings of black as they follow their mistress, the Angel of Death, through her epic, gory journey. Several of the people Akiko has terminated were Yoshi and Udagawa, both of them Bounts. She has also captured the renegade pirate Cervantes de Leon and taken the life of Usagi Tsukino, who was an agent for a clandestine organisation based in Tokyo under the codename Sailor Moon , and stole her heirloom, the Silver Moon Crystal, in the process. Akiko s plans for the Crystal are unknown for the time being. In this book, Killer Doll Posse, Akiko continues her one-way descent into darkness as she cuts her way through many victims and enemies, leaving them sore with despair in order to exact her vengeance, all the while bringing a smile to her face - a very sadistic smile that reveals her inhuman insanity, along with the dark soul that resides in her like a parasite making itself at home in it s host body. This saga continues in A.D. 2032, the year of the Rat. In the first chapter of this book, which takes place in December 2031 and is split in two parts, upon finding out about her sister s grim demise, Chibi-Usa Tsukino plans to confront Akiko and avenge Usagi. Unfortunately, Chibi-Usa was unaware of the trap lying before her.and the sorrow that will follow.
