Three siblings, an extraordinary family, a lasting heritage--in the irresistible Silver Creek Ranch trilogy, they ll fight for the land and the people they love. Everything has come easily to Reid Knowles, the middle son of a California ranching family. But his charmed life is suddenly complicated when his good friend and neighbor asks him to help run the winery next door. His neighbor s niece, Mia Bodell, is in charge--and she has made it clear that she d rather be roped to a steer than to Reid Knowles. Never one to back down from a challenge, Reid vows to win her trust. Her life marked by loss, Mia knows that nothing comes easily--love included. In high school, her heart was crushed by Reid, and even though years have passed, the hurt lingers. Mia is achingly aware that the teen heartthrob has matured into a devastatingly handsome playboy, and the budding winemaker refuses to let down her guard. But one taste of unbridled passion changes things. From Reid s first intoxicating kiss to his unexpectedly tender seduction, Mia is swept into a passionate affair that could tear her heart to pieces . . . or give her everything she has ever wanted.
