

The Sign (Paperback)

By Romel Duane Moore Sr

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Luke 2:12 says, And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger. The birth of Jesus has been taught many times over throughout history. Over time, the retelling of the little babe born in Bethlehem became a novelty known simply as the Christmas story. The Sign represents the Christmas story by focusing its spotlight on the manger. It is there that we can see clearly the purposes of the angel's grand announcement as told in the Gospel of Luke. Beyond their visitation to the shepherds in the field, the arrival of wise men from the east, and King Herod's rage over the coming of the King, there remains much more insight to uncover about the site and sight of the Birth of Christ. Take a journey with me as the Spirit of God connects this story prophetically from Genesis to Revelation.
