TEMPER: (THE FATE OF THE FALLEN #5) (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Only one thing can keep Ashton safe from the supernatural predators who made the world into their depraved, twisted playground after the Takeover--but it's the one thing that would steal the last remnants of his freedom. At every turn, society confronts Reese and Ashton with the way humans are treated as mere playthings to be used and discarded. When they realize their own desires and pride have no place in the status quo, Ashton and his werewolf lover understand they'll have to engage in the deadly games played by those in charge if they want to make a difference. But Reese isn't a diplomat, and Ash is only human. Together, they must decide if they're willing to work with the devil they know in what might change everything or rely on their consciences in a world that has no place for kindness or honor. and if they're ready to sacrifice everything along the way. ### Now that supernatural beings have seized control of the world, life has become a struggle for the humans who once held power. Witches, vampires, and werewolves determine the fate of every single human, but their moral compasses have long since been shattered. Rebels, free humans, and slaves all share dreams of hope, mercy, love, and more. But with their fate so uncertain, survival isn't enough. and they may have to sacrifice what is nearest and dearest to them if they want to change their lives.
