SIMON SCHUSTER, United States, 2016. Paperback. Book Condition: New. Reprint. 212 x 139 mm. Language: English . Brand New Book. #1 New York Times bestselling author and Oscar-winning producer Brian Grazer has written a brilliantly entertaining and eye-opening exploration of curiosity and the life-changing effects it can have on every person's life. From Academy Award-winning producer Brian Grazer, New York Times bestseller *A Curious Mind* offers a brilliant peek into the curiosity conversations that inspired him to create some of the world's most iconic movies and television shows. He shows how curiosity has been the secret that fueled his rise as one of Hollywood's leading producers and creative visionaries, and how all of us can channel its power to lead bigger and more rewarding lives. Grazer has spent most of his life exploring curiosity through what he terms curiosity conversations with some of the most interesting people in the world, including spies, royals, scientists, politicians, moguls, Nobel laureates, artists, anyone whose story might broaden his worldview. These discussions sparked the creative inspiration behind many of his movies and TV shows, including *Splash*, *24*, *A Beautiful Mind*, *Apollo 13*, *Arrested Development*, *8 Mile*, *J. Edgar*, *Empire*, and many others. *A Curious Mind* is not only a fascinating page-turner-it also offers a blueprint for how we can awaken our own curiosity and use it as a superpower in our lives. Whether you're looking to strengthen your management style at work, uncover a new source of creativity, or become a better romantic partner, this book-and its lessons on the power of curiosity-can change your life.
