CASCADE BOOKS, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: LovesCAPes introduces the reader to the various meanings and manifestations of love and its many cognates such as compassion, caring, altruism, empathy, and forgiveness. It addresses how love and compassion have been understood in history and the religions of the world. It goes on to explore the ways that our environments and heredity influence our capacity to love and suggests ways to cultivate love and compassion in one's life. The book shows how the values of love and compassion are integral to finding humane solutions to the daunting problems we face as individuals, as a human family, and as an earth community--a world in crisis. LovesCAPes has the following features: -Describing how love is the essence of the divine, and therefore the ground of reality -Understanding the meaning of love and its place in our lives -Learning how love and compassion have been understood across history, culture, and tradition -Gaining insight about how to increase our capacity to love and show compassion -Discerning how love and compassion can be applied in all aspects of our lives, in the regions where we live, and in our global setting. Endorsement: What is love and how do we distinguish it from infatuation and destructive feelings? Now, in LovesCAPes, Duncan Ferguson explores the cultural and historical understandings of love, inviting readers to invest in the love-centered life. Perceiving that love and compassion are very complex human experiences, Ferguson . . . provides us with an extremely important book. --James H. Charlesworth, Director and Editor, Princeton Dead Sea Scrolls Project LovesCAPes not only provides a lucid and comprehensive account of pertinent literature--from biblical, classical, and Western and Eastern sources, to contemporary studies in psychology, social...
