

The Waiting Pool (Paperback)

Filesize: 2.5 MB

Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Valentin Hane MD)

THE WAITING POOL (PAPERBACK)

Jacaranda Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Since moving to Hollywood, Natalie s ability to find humor and hope in every situation has always been her saving grace. A resilience she ll need even more when her 2-year-old son is diagnosed with autism. Suddenly finding herself knee deep but drowning in the new world of waiting pools, where a child s disability services are based on eligibility (aka how much money one makes or how famous they are), Natalie needs to find a way to pay for her child s early intervention. And fast. Desperate, she takes a job as the personal assistant to Johnny Stix, an A-list action star who is silver spoon spoiled. Cleaning up the myriad personal and professional messes he makes by the minute, reading him scripts, chauffeuring him all over LA in her minivan, and attending extravagant parties becomes Natalie s new normal. As does his occasional hooker and growing co-dependency. While bouncing between his fairy tale life and the reality of her son s therapies and struggles, Natalie discovers that navigating and surviving Hollywood is much like dealing with the mysterious world of autism; that there are no clear answers, and no yellow brick road to magically follow towards success. Instead, like most things in life, you just have to jump in and decide if you re going to sink or swim.
