

## America s Founding and the Struggle over Economic Inequality (Hardback)

By Clement Fatovic

University Press of Kansas, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. If, as many allege, attacking the gap between rich and poor is a form of class warfare, then the struggle against income inequality is the longest running war in American history. To defenders of the status quo, who argue that the accumulation of wealth free of government intervention is an essential feature of the American way, this book offers a forceful answer. While many of those who oppose addressing economic inequality through public policy today do so in the name of freedom, Clement Fatovic demonstrates that concerns about freedom informed the Founding Fathers arguments for public policy that tackled economic disparities. Where contemporary arguments against such government efforts conceptualize freedom in economic terms, however, those supporting public policies conducive to greater economic equality invoked a more participatory, republican, conception of freedom. As many of the Founders understood it, economic independence, which requires a wide if imperfect distribution of property, is a precondition of the political independence they so profoundly valued. Fatovic reveals a deep concern among the Founders-including Thomas Jefferson, Thomas Paine, and Noah Webster-about the impact of economic inequality on political freedom. America...
