Between the rigors of medical school and the opening of her own dermatology practice, there is simply no room in her life. But when she's called upon--yet again--to be a bridesmaid for one of her best friends, she comes face to face with the man who broke her heart ten years ago. Xavier Whitted may be just as handsome and charming as she remembers, but their knee-trembling kiss on the beach won't change a thing. Except--it changed everything. Now Xavier is back in her life and determined to win her heart. And, though Imani harbors a secret that could put both their blossoming careers in jeopardy, she's finding it harder and harder to keep her distance.
