CREATING LEADERS AND ORGANIZATIONS OF GREATNESS: A HOW-TO GUIDE

Selker Leadership, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Creating Leaders and Organizations of Greatness presents a clear explanation of the conditions that keep so many individuals and organizations from attaining anything other than average performance, while outlining the steps anyone can take to achieve vastly superior results. Leveraging the thousands of hours spent interviewing and assessing executives over his 26 years as an Executive Search and Leadership Consultant, Greg Selker methodically takes us through a journey of discovery guided by the following questions. Is there a definition of greatness that is consistent across individuals, industries, geographies, cultures and organizations? Can the experience of greatness be analyzed and deconstructed so that it can be reliably implemented in both individuals and organizations? Are there simple practices that anyone can do that develop both an individual s and organization s capacities to rise above the conditions that keep a state of average in place and deliver greatness? How does someone start down this pathway? These questions and more are explored in a no-nonsense and plain-speaking manner. The result is a how-to guide outlining simple and repeatable steps on developing yourself into an exceptional leader and building an organization that sustains leadership and greatness.
