## HISTOLOGICAL TYPING OF TUMOURS OF THE CENTRAL NERVOUS SYSTEM

Condition: New. Publisher/Verlag: Springer, Berlin | Although more than 12 years have passed since publication of the first WHO histological classification of central nervous system (CNS) tumours, the changes in this revised edition are not radical. Only one formerly recognized entity has been deleted: the monstrocellular sarcoma, because there is immuno cytochemical evidence of its astrocytic nature. Several new tumour types have been added: the pleomorphic xanthoastro cytoma has been generally acknowledged for almost a decade; the neurocytoma has gradually...

### Reviews

*This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at any time of your own time (that's what catalogs are for about if you request me).*

-- **Leslie Reinger**

*This kind of pdf is every little thing and made me seeking ahead of time plus more. It generally will not price excessive. You will not truly feel monotony anytime of the time (that's what catalogues are for concerning should you request me).*

-- **Dr. Rosie Kuphal**

*A top quality pdf and also the font applied was fascinating to learn. it was actually writtem extremely properly and valuable. I discovered this publicatio n from my i and dad recommended this publication to find out.*
