## THE LOST ISLAND OF TAMARIND (PAPERBACK)

Square Fish, 2017. Paperback. Condition: New. Reissue. Language: English . Brand New Book. It is not down on any map; true places never are. Maya Nelson isn't your typical thirteen-year-old. She's spent her whole life living on the sea with her marine biologist parents, her younger brother, Simon, and baby sister, Penny. Maya used to love living on a sailboat, but lately, everything feels terribly claustrophobic. Maya longs to go to school on land. To make friends. To lead a normal life. But when a violent storm hits and Maya's parents are washed overboard, life becomes anything but normal. The children manage to steer the boat toward a mysterious island, to a place that doesn't exist on a map. Welcome to Tamarind, where fish can fly, pirates patrol the waters, jaguars lurk, the islanders are at war, and an evil, child-stealing enchantress rules the jungle. Maya never imagined she'd have to face so many dangers. But then, who could have imagined a place like Tamarind? In her stunning first middle grade novel, *The Lost Island of Tamarind*, Nadia Aguiar tells a heart-pounding adventure story about a haunting, fantastical island cut off from the outside world. The adventure continues in book two, *Secrets of Tamarind*, and book three, *The Great Wave of Tamarind*. The book's magic . . . lies in Aguiar's precise, often lyrical descriptions. --The New York Times Book Review Aguiar's exciting debut novel is a cross between *Peter Pan* and *Lost*. --Publishers Weekly, starred review Spunky kids, perilous pursuits and marine mystery make for a smashing good read. --Kirkus Reviews Each detail of this fantasy is crafted with care; readers will be drawn into this dangerous, magical world where anything is possible. --School Library Journal.
