

4 Blood Moons: Decoding the Prophecy of God (Paperback)

By Jacob Gleam

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The blood moon theory is a prophecy that is largely followed by some Christian ministers that says that a tetrad, that was initiated in the April of 2014 is a precursor of the coming Armageddon day. The most notable proponents of the Blood Moon theory are John Hagee and Mark Blitz (explain who these people are). A tetrad refers to a series of four consecutive total lunar eclipses, with only 6 full moons in between them and no other partial lunar eclipses in among them.

Reviews

The most effective pdf i ever go through. It is probably the most incredible book i have got study. You wont sense monotony at at any time of the time (that's what catalogues are for relating to if you check with me).

-- Ahmad Heaney

Completely essential study ebook. This is for all those who statte there was not a well worth reading. I realized this book from my dad and i recommended this publication to find out.
