Before she finished her first cup of coffee Monday morning, her boss called her into his office. On her way there, she anticipated catastrophes of all magnitudes, most involving some crisis that would derail her week. What she didn t foresee was the life changing conversation he had in store for her. After a quick phone call to Aimee, Juliette found herself surrounded by her girlfriends, who were dishing out both support and suggestions on how to move on with her life. No one could imagine as they commiserated with Juliette how this single event would be the first in a long line of changes in all of their lives. No matter how major the change, they ride it out together. The bond that connects these girls can t be broken. Through family crises and celebrations, career changes and world travel, nothing will ever come between them. They face life s challenges head-on and their shared experiences continually make their friendship stronger. Come on, meet the Posse.
