

Aurabel: The edgiest mermaid ever written about (Paperback)

Filesize: 1.92 MB

Reviews

I just started out reading this ebook. I could comprehend every little thing out of this written e book. I am pleased to inform you that this is actually the very best publication i have read through inside my personal life and could be he best ebook for ever.
(Antonia Orn IV)

AURABEL: THE EDGIEST MERMAID EVER WRITTEN ABOUT (PAPERBACK)

Hot Key Books, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Forget what you know about mermaids with Laura Dockrill's hilarious, riotous adventure not to be missed. It has been two years since Rory drowned, and Lorali is in Hastings, living the quiet life of a normal teenage girl. But her safe life on land won't last for long. Life in The Whirl has become a hotbed of underwater politics and as the council jostles to oust the king, one Mer in particular has her eye on Lorali as the key to her own rise to power. Meanwhile, Aurabel, a lowly Mer from the wrong side of the trench, is attacked by sea beasts and left for dead - and without a tail. Raging with righteous anger, she rebuilds herself a mechanical tail and reinvents herself as a fearless steampunk Mer seeking revenge. But she never expected the most important job that was about to drop into her lap. Laura Dockrill makes a dramatic return to the sea set in the same world as the sparkling and magnetic mermaid story, Lorali.
