Pocket Mountains Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. As the home of Britain's one and only national coastal park, Pembrokeshire is rightly famed for its marine wildlife, unspoilt beaches, towering cliffs and charming harbours. Inland, however, you will also find ancient woodlands and rolling hills, as well as archaeological mysteries and crumbling castles which suggest that this peaceful part of Wales has a far more turbulent past. The 40 moderate walks in this volume from award winning publisher Pocket Mountains, explore the stunning coastline as well as the heartland of the county, with several routes making use of sections of established long-distance walking trails.
